SR 1128—A Resolution dedicated to the mothers of our state and nation.

WHEREAS May 11 is nationally fixed as the day for the observance of Mother's Day, in reality every day of our lives should be fraught with an observance of love and gratitude for the unselfish devotion lavished upon us by the one person in our lives to whom we accord the magical appellation of "Mother"—The one to whom we owe a debt of gratitude from the moment of our first advent upon the stage of Life unto the day upon which we make our final bow therefrom, and

WHEREAS in our early years she attended us with care and affection, leading us in the pathways of knowledge and righteousness, ever mindful of our smallest as well as our greatest woes, ever solicitous of our well being and right thinking, bending her every effort to the end that we come as adults to walk uprightly as steadfast, God fearing men and women, and

WHEREAS as a tribute to our mothers who are with us we don the red carnation on this day and in memory of our mothers who are no longer here we wear the white carnation in loving memory, and

WHEREAS we would upon this day openly avow that same deep love and abiding affection for Her which we entertained as little children at her knee and of which we would establish a permanent record NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That a copy of the Resolution be spread upon the pages of the Journal of the Florida Senate as a token of our recognition, admiration, respect, love and dedication to our Mothers and to all of the mothers of the world upon this Day and upon every succeeding day that consciousness remains with us.
